

BUSINESS MANAGEMENT

This degree takes a generalist approach and focuses on skill development and managerial problem-solving. The field of management is studied as a science and a craft, with emphasis on ethical conduct. The management major has been developed for your “total person” – both for your growth as an individual and for your career aspirations. The real resources and real engagement you’ll find as a management major will give you the skills, talents and competencies necessary for results in the 21st century.

Tiffin University’s School of Business is accredited by the Accreditation Council for Business Schools and Programs (ACBSP). The ACBSP is a leading specialized accreditation body for business education supporting, celebrating and rewarding teaching excellence. They accredit business education programs at the associate, baccalaureate, master’s and doctorate degree levels worldwide. Institutions with this accreditation are committed to continuous improvement that ensures their business program will give students the skills employers want. Every quality business program worldwide is accredited.

TU offers MBA classes that count as dual credit towards both your undergraduate business degree and a master of business degree. Undergraduate business students, who have a GPA of 3.0 or higher, will have the opportunity during their senior year to take

up to four graduate courses. This opportunity allows students to finish their graduate degree program faster and will save them money in the long run. After completing these classes, and upon your undergraduate graduation, you will be able to complete your MBA in less than a year (only 45 weeks). At that time, you will also qualify for the alumni tuition discount.

We will provide you with a solid background for a successful career in business management. Our coursework will further differentiate you from other candidates.
